PRESS RELEASE FOR IMMEDIATE RELEASE

ROAD TRAVEL STATUS MOVED TO ADVISORY

Due to the extreme amount of rain Greene County has experienced today and because the county has over 900 miles of road, Greene County President of the Board of Commissioners, Nathan Abrams, has put a level one travel status on the county roads until further notice. A level one status means:

Advisory: Level 1

The lowest level of local travel advisory means that routine travel or activities may be restricted in areas because of a hazardous situation, and individuals should use caution or avoid those areas.
